Dear Parents/Guardians:

We hope that you have had a safe and restful break this last week. As we return to school on Monday, please remember to take the following precautions to keep our school staff and students safe.

- If you have traveled to any state on the quarantine list, please have your student quarantine for 14 days from the date that you returned home.
- You can find information on quarantine states here:
<https://covid19.nj.gov/faqs/nj-information/travel-and-transportation/which-states-are-on-the-travel-advisory-list-are-there-travel-restrictions-to-or-from-new-jersey>
- If your student has been notified that they are a close contact of someone who has tested positive for COVID-19, they must quarantine for 14 days from date of contact.
- If it is necessary for your student to quarantine, please remember that they are still able to attend school remotely. If your student attends school remotely during this time, they are considered present.
- If your student has any of the following signs or symptoms
 - Fever or chills
 - Cough
 - Shortness of breath or difficulty breathing
 - Fatigue
 - Muscle or body aches
 - Headache
 - New loss of taste or smell
 - Sore throat
 - Congestion or runny nose
 - Nausea or vomiting
 - Diarrhea
 - Please keep your student home and consult a healthcare provider.

If you have any questions, please do not hesitate to contact the school.

Together we can keep our school community safe!

Sincerely,
Dr. Lorise A. Goeke
