Most importantly for this year, we will be asking parents to fill out a health screening form in Genesis. You will find the form in the Parent Portal.

If your child is not feeling well, it is more important than ever to keep your child home if they are sick. This will help keep our school community safe and healthy. If your child does come to school and is sent home, it is very important that someone be available to pick up the student immediately.

Mr. Leonaggeo has sent out a detailed letter regarding our meal distribution. As a reminder, our meal distribution schedule is as follows:
