Dear Parents/Guardians:

I hope this letter continues to find you and your family healthy and well. I am reaching out to share a change in our school operations.

Due to the progression of our state to the high risk (orange) status, a rise in COVID-19 cases in the South Bound Brook community, and an abundance of caution, the district will remain in remote learning until January 19. Please be advised that administration and support staff will be available in the building each day during normal school hours.

We realize that this places a hardship on our families, and we are committed to providing our students with the best education possible during this challenging time.

To help us with this, please take a moment to fill out the remote learning survey. It can be found on our website, or you may link to the survey here:

Also, please be advised that meal distribution will still take place for all families on Monday, Wednesday, Friday between 1:00 and 2:30 p.m. on the side of the building through the side doors of the multipurpose room. There will be a special pick up on Tuesday, December 22 between 1:00 and 2:30 p.m. prior to the holiday. There will be no meal distribution during the winter break. Meal pickup will resume on January 4.

Please stay tuned for an upcoming virtual parent night where we will be talking about some of the challenges we are facing with our current instructional models.

Thank you for your patience and support during these challenging times. It is truly appreciated.

Please do not hesitate to reach out to us with questions or concerns.

Sincerely,

Dr. Lorise A. Goeke
