Board Secretary*

January 14, 2021

Dear Parents/Guardians:

We are very excited to welcome our students back to school for hybrid learning on January 19.

In order to keep our staff and students safe, please note the following:

- All students must have the Health Screening Form filled out in Genesis each day they attend school.
- If the form is not filled out, the parent will be notified via phone.
- On the third time the form is not filled out, parents will be notified to pick their child up from school.

IMPORTANT HEALTH INFORMATION:

Any child with COVID-19 compatible symptoms should not report to school.

COVID-19 symptoms are as follows:

Fever or chills
Cough
Shortness of breath or difficulty breathing
Fatigue
Muscle or body aches
Headache
New loss of taste or smell
Sore throat
Congestion or runny nose
Nausea or vomiting
Diarrhea

IF YOUR CHILD HAS EVEN ONE OF THESE SYMPTOMS, THEY SHOULD NOT REPORT TO SCHOOL.

Students should not return to school until:

- they have either received a negative viral test (molecular or antigen) for SARS-CoV-2; or
- they have completed an isolation period of at least 10 days since symptom onset and at least 24 hours after resolution of fever without fever-reducing medications with symptom improvement.

Looking for a COVID-19 Test?

- Check with your doctor first, as many healthcare providers can test their patients.

With your help, we can have a safe and healthy return to school.

Please do not hesitate to reach out if you have any questions.

Sincerely,

Dr. Lorise A. Goeke
Superintendent/Principal
